

PÙRE
OBAGI

Vitamin C Advanced Kit

Suitable for Oily Skin Types

The Vitamin C Advanced kit is for oily skin types. This products in this kit promote collagen production and diminishes the appearance of fine lines and wrinkles. Vitamin C works as an antioxidant, meaning it protects and defends your skin against the damage caused by free radicals and environmental factors including UV exposure.

Includes:

- Obagi-C® Cleansing Gel 180ml
- Obagi Professional-C™ Serum 20%
- Obagi Hydrate®

OBAGI

Vitamin C Advanced Kit

Morning Routine

- 1** Obagi-C® Cleansing Gel
Apply a small amount to the face and neck with moistened fingertips, rub in circular motions and rinse with lukewarm water. Gently pat dry with a clean cloth or towel.
- 2** Obagi Professional-C™ Serum 20%
Apply each morning to thoroughly cleansed and toned skin. Use 5-7 drops to the fingertips and massage into the entire face and neck, absorbs quickly into the skin. Follow with your usual moisturiser and SPF sun protection.
- 3** Obagi Hydrate®
Apply to thoroughly cleansed and toned skin. Massage 1-2 pumps to entire face as needed, morning and night. Follow up with SPF in your morning regime.

Evening Routine

- 1** Obagi-C® Cleansing Gel
Apply a small amount to the face and neck with moistened fingertips, rub in circular motions and rinse with lukewarm water. Gently pat dry with a clean cloth or towel.
- 2** Obagi Hydrate®
Apply as needed.
